

EEA and Norway Grants Financial Mechanisms 2014-2021
Energy Programme in Romania
Energy Efficiency Call

List of Priority Projects, which are under different phases
(contracting phase, implementation phase, final evaluation phase)

FOCUS AREA: Renewable Energy						
Individual Project Scheme						
#	Project Number	Applicant name	Project Name	Partner(s)	Total Project Budget (EUR)	Approved / Proposed to be financed Grant Amount (EUR)
Call Small Grants Scheme – SGS Call 3 (“Increased energy efficiency” – for SMEs and NGOs’) - financed from EEA Grants						
1	2020/515492	Giubega Commune	The modernization of public lighting network in Giubega commune, Dolj County		112 251	95 000
2	2020/515852	Goicea Commune	The modernization of public lighting network in Goicea commune, Dolj County		134 935	114 400
3	2020/516112	Comuna Buteni	Rehabilitation of the public lighting system in Buteni, Cuied, Paulian and Berindia		198 353	168 600
4	2020/515821	Dobrun Commune	The modernization of public lighting network in Dobrun commune, Olt County		80 613	68 000
Call Call 4(a): “Increased energy efficiency in place” – financed by EEA Grants						
1	2020/515952	Sfantu Gheorghe Municipality	Low emissions with high and sustainable efficiency in Sfantu Gheorghe key public buildings	NO-Østfold University College	2 246 080	1 800 000
2	2020/515910	Azomures	Enhanced energy efficiency motor processes within Azomures Energy and Climate Change Action Plan		1 622 500	601 000
3	2020/516129	Alba Iulia Municipality	Improving IRIS hotel’s energy efficiency by using local geothermal resources		603 875	513 000

4	2020/516012	UAT Saveni	Energy efficiency investments in UAT Saveni buildings for reducing greenhouse emissions of Saveni Ci	NO-International Development Norway As	498 955	423 000
5	2020/516026	HOFIGAL EXPORT IMPORT SA	SMART Energy transformation HOFIGAL- Increasing the energy efficiency and energy security		727 525	289,600
6	2020/515185	Inspectoratul Teritorial al Politiei de Frontiera Oradea	Thermo-energy rehabilitation administrative pavilion at Border Police Sector Bors		417 602	354 900
7	2020/516022	Compania Aquaserv S.A	Reduce the greenhouse gas emissions through biogas production use into electricity and thermal energ		2 118 189	1 800 000
Call 4(b): "Increased energy efficiency in place" – financed by Norway Grants						
1	2020/516108	Pitesti Municipality	Increasing the energy efficiency of the public lighting system in Pitești	Keytouch Technology AS	1 241 939	1 055 600
2	2020/516017	Cluj Napoca City Hall	Smart and low GHG emission Lighting System in Cluj-Napoca		761 771	647 500
3	2020/515762	Celaru Commune	The modernization of public lighting network in Celaru commune, Dolj County		258 255	219 000
4	2020/513539	Baneasa Commune Hall, Constanta	Clean Energy for Rural Schools (CERS)		316 471	269 000
5	2020/512275	Lumina commune hall, Constanta	Little Energy Super Stars (LESS)		213 571	181 000
6	2020/516045	Bârlad Municipality	Increasing the energy efficiency of the public lighting system in Bârlad	Keytouch Technology AS	1 482 355	1 260 000
7	2020/515836	Turda Municipality	Energy performance and indoor comfort significant increase in Turda public schools		1 726 234	1 340 000
8	2020/515667	Vitomiresti Commune	The modernization of public lighting network in Vitomiresti commune, Olt County		236 044	200 000
9	2020/515444	Târnăveni Municipality	Sustainable Energy Efficiency and Comfort significant increase in Tarnaveni key public buildings		1 165 883	991 000
10	2020/516122	Primaria Sighetu Marmatiei	Sighetu Marmatiei Municipal Hospital district heating		761 884	647 600
