Connecting dots;
- global challenges
- local society
- ocean industries
- young people
OUR INNOVATION ACCELERATOR «ENTER THE OCEAN SPACE»

Philosophy; exploring opportunities & innovation in clusters rather than silos...

A room to think outside-the-box and gain inspiration
Our goal? To inspire our industry in a time of transformative change and struggling markets.
WAVES OF CHANGE
NO.1 ARENA FOR DIVERSITY

Industry first to scout the global maritime industry for;

- Most Influential Women
- Young Entrepreneurs

Why? inspire to utilize the potentials of young professionals & women
Young people will change our world, with technological innovations.

«Young Entrepreneur Award» was set up to find young talents that represent this potential.
